Personal Statement

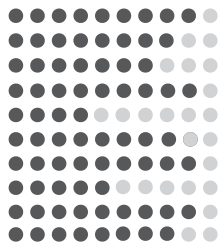

After completing a Bachelors of Design, Fashion Design and Technology from Kwantlen Polytechnic University (2013), I gained over a year of industry experience, working as an assistant designer at lululemon athletica & 5 years in technical design and production at 18 Waits. I'm available for freelance technical projects or full time employment if it's the right fit!

Highlights

Design Proficiencies

Adobe Illustrator
Adobe Photoshop
Adobe InDesign

Technical Flat Sketching
Hand Sketching
Layout & Visual Design
Google Drive Apps

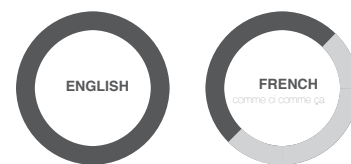

Experience

- May 2019 - Present
Technical Designer, Mens & Childrens, 18 Waits (Toronto)
 - Work with designers to interpret fit & design details seasonally, assess samples for compliance, and review issues with the design team and supplier when necessary
 - Build and issue accurate, detailed tech packs: create/update technical sketches, BOMs, reference samples, spec sheets & cut tickets. Build & maintain any required organizational tools for raw materials
- October 2015 - May 2019
Assistant Designer, Mens & Childrens, 18 Waits (Toronto)
 - Work with designers to complete tech packages, season & trend development, pattern drafting & product development
 - Assist with e-commerce related projects such as inventory, customer relations, website updates, wholesale & retail shipping as well as social media & marketing.
- January 2012 - April 2013
Assistant Designer, lululemon athletica (Vancouver)
 - Worked closely with cross-functional departments through a four season calendar under very tight deadlines.
 - Created technical packages for production in Asia
 - Trained new team members in their roles as the company rapidly expanded.
 - Gained valuable knowledge in the psychology of the male shopper and men's retail experience.
